

DRIVING TO KURÀ

Kurà is perched on a coastal ridge only accessible through the town of Uvita. We're just a 15-minute drive away from the main road in the village, 5km up the mountain. There are two options if you'd like to reach Kurà using your own transportation: you may either drive all the way up to the hotel - or - park your car in Uvita and take our hotel transportation. Here are some important recommendations to make for an enjoyable ride:

1. **If you are planning on driving all the way up to the hotel, you will need a 4x4 vehicle**, and we highly recommend arriving during daylight hours. The road is rugged and steep in parts, and an experience in itself – you'll enjoy the adventure if you're up for the extra thrill!
2. **If you prefer to avoid driving up the rocky road, you may leave your vehicle at Osa Thyme**, a restaurant owned by our friend Tito. Once there, we will transport you to Kurà in a comfortable 4x4 vehicle. See where Osa Thyme is located on the next page.
3. **As you get close to Uvita (past Dominical), please call our Front Desk or send us a text or WhatsApp message to +(506) 8521-3407** so we can either send our 4x4 vehicle to pick you up, or prepare for your arrival at the hotel.
